

**Laxmi Charitable Trust's
Sheth L.U.J College of Arts s Sir M.V. College of Science and
Commerce**

**Department of Information Technology (B.Sc.I.T Semester V)
MERN STACK**

Practical – VI

Roll No.: T049	Name: Vijaylaxmi Vishwakarma
Class: TYIT	Batch:1
Date of Assignment:9/9/26	Date/Time of Submission:9/9/26

6.Node.js and Express Fundamentals

a. Install Express and create a simple server.

Code:-

```
const express = require("express");

const app = express();

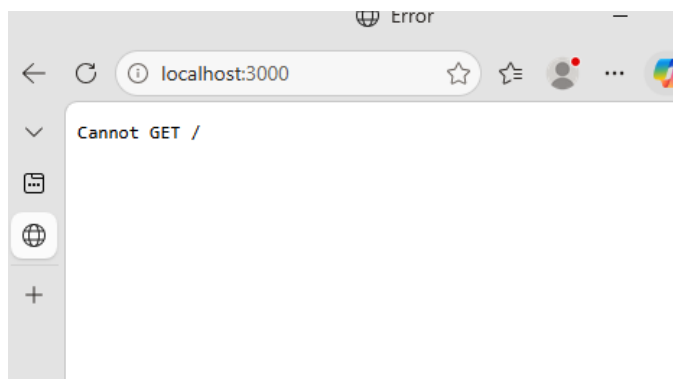

const PORT = 3000;

app.listen(PORT, () => {

  console.log(`Server is running on http://localhost:${PORT}`);

});
```

Output:-

b. Display a message on the browser using the server response.**Code:-**

```
const express = require("express");

const app = express();

const PORT = 3000;

app.get("/", (req, res) => {

    res.send("Welcome to Express Server");

});

app.listen(PORT, () => {

    console.log(`Server is running on http://localhost:${PORT}`);

});
```

Output:-**c. Create different routes in Express.****Code:-**

```
const express = require("express");

const app = express();

const PORT = 3000;

// Home Route
```

```
app.get("/", (req, res) => {

    res.send(`

        <h1>MVLU College Management Server</h1>

        <p>Welcome to our college website.</p>

    `);

});

// Students Route

app.get("/students", (req, res) => {

    res.send(`

        <h1>Student List</h1>

        <ul>

            <li>Vijaylaxmi</li>

            <li>William</li>

            <li>Riwi</li>

            <li>Rakhi</li>

        </ul>

    `);

});

// Faculty Route

app.get("/faculty", (req, res) => {

    res.send(`

        <h1>Faculty List</h1>

        <ul>

            <li>Sneha Gokarnkar - Information Technology</li>

            <li>Rohini Bhosale - Information Technology</li>

            <li>Sumit Tripathi - Information Technology</li>

            <li>Chetana Tanavade - Information Technology</li>

        </ul>

    `);

});
```

```
    </ul>

    `);

});

// Courses Route

app.get("/courses", (req, res) => {

    res.send(`

        <h1>Available Courses</h1>

        <ul>

            <li>B.Sc. Information Technology</li>

            <li>B.Sc. Computer Science</li>

            <li>B.Sc. Biotechnology</li>

            <li>B.A. Multimedia and Mass Communication</li>

        </ul>

    `);

});

// Contact Route

app.get("/contact", (req, res) => {

    res.send(`

        <h1>Contact Us</h1>

        <p>Email: info@mvlucollege.in</p>

        <p>Phone: 9321794256</p>

        <p>Address: Andheri, Mumbai</p>

    `);

});

// Start Server

app.listen(PORT, () => {

    console.log(`Server is running on http://localhost:${PORT}`);

});
```

Output:-

Student List

- Vijaylaxmi
- William
- Riwi
- Rakhi

Available Courses

- B.Sc. Information Technology
- B.Sc. Computer Science
- B.Sc. Biotechnology
- B.A. Multimedia and Mass Communication

Faculty List

- Sneha Gokarnkar - Information Technology
- Rohini Bhosale - Information Technology
- Sumit Tripathi - Information Technology
- Chetana Tanavade - Information Technology

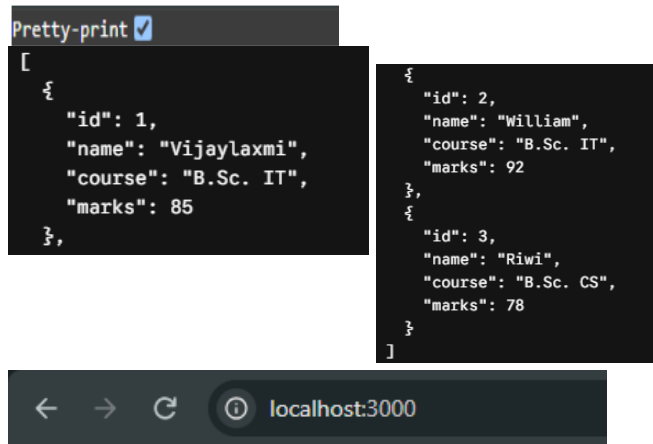

d. Send a JSON response from the server.**Code:-**

```
const express = require("express");
const app = express();
const PORT = 3000;
app.get("/", (req, res) => {
  res.send("Welcome to MVLU College Management Server");
});
app.get("/students", (req, res) => {
  const students = [
    {
      id: 1,
      name: "Vijaylaxmi",
      course: "B.Sc. IT",
      marks: 85
    },
    {
      id: 2,
      name: "William",
      course: "B.Sc. IT",
      marks: 92
    },
    {
      id: 3,
      name: "Riwi",
      course: "B.Sc. CS",
      marks: 78
    }
  ];
```

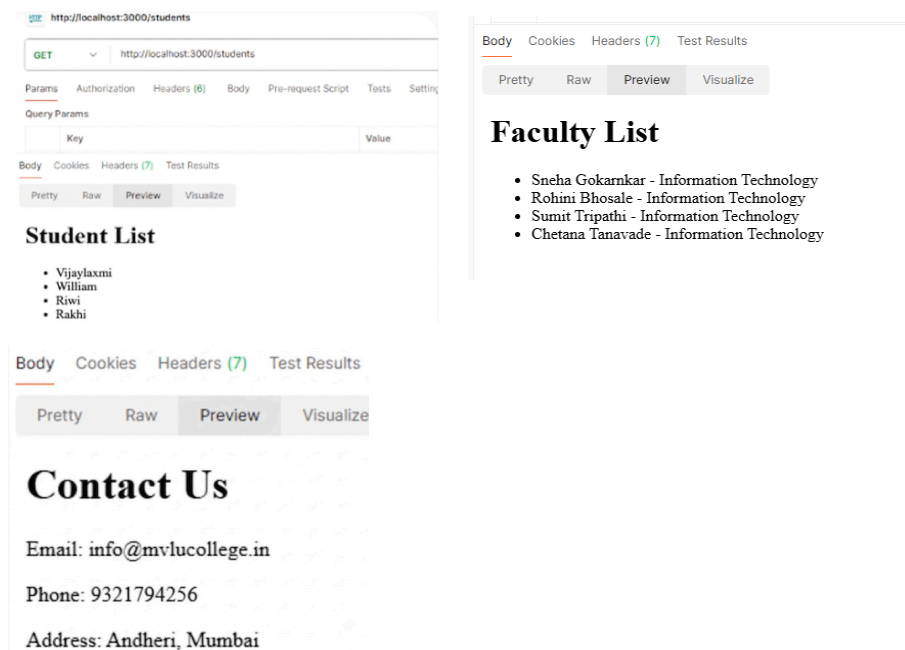

```

res.json(students);
});
app.listen(PORT, () => {
  console.log(`Server is running on http://localhost:${PORT}`);
});0

```

Output :-

Welcome to MVLU College Management Server

e. Test routes using browser or Postman.**f. Run the server and observe the output in the console.**
